Lejia Sanitary Ware
an Outstanding
Chinese
Enterprise Influencing
the World

Brief Introduction To The Company

Established in 2001, Wenzhou Lejia Sanitary Ware Co., Ltd. is a comprehensive enterprise specializing in development, production, sales, services and etc. of high and middle grade bathroom accessories and its complementary products. Our company products are mainly used in hotels, villas and home bathroom. Currently, they are exported to Europe, Middle East and Southeast Asia countries, well received by foreign customers and large and medium city users at home. Our company has always devoted to research and development of the sanitary accessories by using advanced production process and equipments and employing special technical personnel and high-quality management and marketing staff since it is established. To continuously improve and create resorting to never feeling satisfied high corporate responsibility as ever before and persistent pursuing, based on the enterprise principle - "Establishing first-class brand"; Demands oriented to worldwide customers based on consumers interests; Customers first displayed by quality, creating more comfortable and better life for you. Our company products are all tested by National Sanitary Ceramics Test Center, wining the title for a superior class product and giving 5 years quality assurance.

With changes in market conditions of sanitary industry, Lejia makes the constant improvement in products and expand its promotion while it is committed to the dealer network construction. With mutual benefits and all win as its own duty, we always insist on one principle - we shall establish long term partnerships with our dealers and create an extensive growing development flat form for them. To create an excellent Chinese sanitary brand, all Lejia Sanitary employees will climb the peak of the sanitary industry through unremitting efforts and active innovation.

Typical Europeanromantic style,
simplicity smooth,
famous
designers from Europe .
